## INSIDE A BARELY LEGAL GIRL

**Hey! It's me, Lindsey.** Here in Southern California, they say that we don't really have seasons, but when spring rolls around, I always feel it. The sky is bluer. The grass is greener. And the pussies? Pinker! I know that my coochie is definitely wetter than a spring shower when I look at the girls in this issue. Check out Freya, with her cute smile and adorable boobs. Couldn't you just get lost in Asha's eyes? And Elle is so sexy that Alyx can't keep her fingers out of her! Do I feel summer coming already, or is that just a warm front in my panties? What about you guys? Do you feel anything coming?

*xxx Lindsey*

**H**i guys, it's Abby the intern. Are you ready to learn a few things about college cutie Asha? Good, 'cause she's about to open up like a flower!

**Hi, Asha! Wow, you have a really pretty smile...**

Thank you! I think it's my best physical feature, next to my booty.

**I'd like to put my smile next to your booty!**

What? OMG...

**How would you describe yourself?**

I'm pretty outgoing. You know, totally into meeting new people and trying new things.

**What do you like to do for fun?**

I like to go out dancing. And making silly TikTok videos is fun too. Honestly, though, I don't have a ton of free time. My schoolwork keeps me seriously busy.

**Sounds intense! What are you studying?**

I'm going for a degree in botany. Trees, plants, nature—I'm into it all. I even volunteer once or twice a month to plant trees in cities.

**Beauty and brains—so sexy. What is your biggest turn-on?**

A person's natural scent. This might sound weird, but I like it when a guy has an earthy odor—the smell of sweat gets me super wet.

**That's kind of hot. So do you enjoy giving blowjobs?**

Oh, yeah. I like to use a lot of drool and get that dick really slick.

**And how do you like to get fucked?**

Doggy-style. It's the way nature intended!

**Where do you like guys to come?**

In my pussy! That's what it's there for. Plant that seed inside me, baby.

**What's the craziest thing you've ever done?**

I had sex in a graveyard once.

**That sounds spooky!**

It was actually pretty peaceful. Except when I came. I screamed loud enough to wake the dead! lol

**Is there anything else you want to tell our readers?**

Respect nature. Please don't litter!★

# KALI

## oh my goddess

**H**i, I'm Shawna the intern. Cute Kali shares her name with the Hindu goddess of death and destruction (*yikes!*), but in reality this high school senior is all about life—her sex life, that is. I worship her!

**How would you describe yourself?**

I'm a country girl—even though I'm afraid of bugs! I'm an everyday, random girl. I'm genuine, laid-back and fun to be around.

**Are you single?**

Yes, I'm single, and I've decided to stop looking. I want my dream guy to look for *me*.

**What do you do to seduce a guy?**

I like to send sexy text messages, and, if all else fails, I'm not above showing my tits!

**Do you like exposing yourself in public?**

I like flashing my girls. I've never been butt-ass naked in public.

**What's your biggest turn-on?**

Playing with my nipples is the biggest turn-on for me. I also like lots of oral foreplay.

**Did you like posing nude?**

I had a blast! I don't mind being naked. In fact, I'd rather be naked most of the time!

**What do you think about when you masturbate?**

I think about, like, a giant cock and balls in my face.

**Do you like oral sex?**

If I am at a party, and I start fooling around with someone, I wouldn't mind them going down on me—at all!

**Do you like anal sex?**

I *love* anal sex! But it has to be done right. I don't like it all the time, but when I'm ready for it, it's great.

**What's the best sex you've ever had?**

The first time I had butt sex, it was perfect. I was *soo* relaxed—probably because I had just had a huge orgasm.

**What's the kinkiest thing you've ever done in bed?**

One time, I was giving this guy a blowjob, and I went down and licked his asshole while jerking him off. He was *so* shocked by it—but he said he loved it.

**What one fantasy do you most want to come true?**

I've never been with a girl, but I dream about having another girl—maybe two—hold me down and pleasure my whole body. ★

## gettin' busy

**H**ey! It's me, Lindsey. Ambitious Melody just finished her freshman year in college, where she's studying business administration, plus she models professionally and also makes tons of movies. The girl is unstoppable!

**Did you like posing nude?**

Yes, I had a good time. I don't regard it as work at all.

**What do you think is your best physical feature?**

My breasts, because they're perky.

**How often do you masturbate?**

Almost never. I need the real thing.

**Do you like to give BJ's?**

Yes, I like to please the guy, and that's the best way.

**Do you spit or swallow?**

I swallow most of it, but I like to let a little dribble out of my mouth. It must look hot, 'cause guys go crazy when I do that.

**Do you like to get your pussy licked?**

Yes! That's the best way for me to come. I love to fuck, but something about a hot tongue in my pussy...oh, my goodness. I just really respond to that.

**What's your favorite sexual position?**

Doggy-style. It feels the best and gets me really worked up.

On my chest. My tits look pretty all slick with cum. Or so I've been told!

**Are you bisexual?**

No. Girls don't do anything for me. Sorry! You're cute, Lindsey, but you don't have a dick.

Muscular, cute, pretty boys who know how to work it!

# CASEY PARKER

**H**ey, it's Lindsey. You guys, I am such a blob next to sweet Casey Parker. I can barely drag my butt into the office by 9 a.m., but Casey is out of the house by dawn every day!

"Before dawn, actually," says Casey, a high school senior. "It's still dark out when I hit the beach. I like to get a few hours of surfing in before school. Surfing is, like, the *only* thing that matters to me. Well, surfing and sex. Gotta be well-rounded!"

**Age:** 18

**Height:** 5-1

**Weight:** 105 pounds

**Measurements:** 34A-22-36

**Hometown:** Lahaina, HI

**Favorite movie:** *Blue Crush*. It takes place on Maui, where I live, plus Kate Bosworth is so hot in it. Back before she turned into a skeleton.

**Favorite TV show:** *I Love Lucy*.

**Favorite band:** Don Ho. Just kidding! I love the All-American Rejects.

**Romantic status:** Dude, I'm a playgirl!

**Favorite part of your body:** My pussy. It's the most *fun* part.

**Favorite part of a guy's body:** Ass. I'm always on the lookout for droopy swim trunks!

**Guilty pleasure:** This totally Hawaiian dish called Spam musubi. I know, Spam is gross, right? How it comes out of the can all in one chunk? Well, with Spam musubi, you slice the Spam really thin, grill it, slap it on a block of sushi rice and wrap a piece of seaweed around it. It's so yum! I could eat it all day long!

**Pet peeve:** Guys that think I can't surf for real just because I'm a girl.

**Biggest turn-ons:** Athletic guys. Dark hair and eyes. I like guys who are part Asian and part white. They are so beautiful!

**Biggest turn-offs:** School. Being trapped indoors.

**Fave masturbation method:** Rubbing my clit. I'm really good with my hands. With guys, too. I *love* wrapping my hand around a big cock.

**Fave sex position:** Me on top, riding hard!

**Ideal date:** Surfing all day, then sitting on the sand and watching the sun set before we go somewhere to fuck. I know, I'm so corny! But seriously, the sunsets here are *gorgeous*. You can't even believe your eyeballs.

**Dirtiest thing you've ever done:** Had sex on the beach while a bunch of people were watching. I didn't care!

**Kinkiest fantasy:** Two guys, one in my mouth and one in my pussy.

**Deepest, darkest secret:** I'm dying to try anal sex! I don't know why I haven't done it yet. I've done practically everything else! My ass is going to waste! Anyway, I swear it's going to happen this year, no matter what. Maybe I just have to meet the right guy.

**Ultimate goal:** I want to win Pipe Masters [a big surf competition] someday.

**Reason for posing:** To show off my bitchin' bod! ★

# A GIRL, A BOY AND ME

A BARELY LEGAL CONFESSION

BY PATRICE LEIGHEY

PHOTOGRAPHY BY DENYS DEFRANCESCO

**S**o, my dad got this big-deal job, and he said we had to move, like, right away. I would have to leave all of my lifelong friends, in my lifelong home of Baton Rouge, Louisiana, *in the middle of my senior year*, to go live in...Minnesota.

I was like, Are you kidding me? Here I was in the prime of my life, 18 years old, and all I had to look forward to was a brand-new school, *no* friends and *the* most freezing-cold weather on the face of the earth. I seriously considered running away, but did I want to live in a big house with a pool, or sleep in Dumpsters and wind up on *Dateline NBC*?

Oh, yeah—just in case my life wasn't completely over, Dad told me I would be attending an all-girl high school. NO BOYS. Our Lady of Sorrows, such a totally perfect name.

We arrived in Minnesota ten days before spring semester was supposed to start. I had ten final days of freedom.

First thing I did was hit the local mall to see how sucky it was. I noticed this girl in Charlotte Russe, jamming out to her phone and

trying on earrings. She was so stylish. She wore tight skinny jeans, and her burgundy-red hair was in braids. I really wanted to meet her, but I felt too shy to say anything, which is not like me *at all*. Instead I tried on earrings, too, so I could get closer to her.

"You look like my mom."

The stylish girl was talking to me.

"Excuse me?" I said, shocked.

"Those are total hippie earrings my mom would wear," she frowned. "Try these instead." She brushed my hair back and slid a white hoop through my ear. A jolt of electricity went through me.

"Now you look hot," she said, eyeballing me up and down.

My heart was beating super fast, and I got all warm in my panties. My body was acting like this girl was a cute boy instead of a girl. WTF?

"You go to Our Lady of Sorrows?" she asked.

I nodded.

"Awesome," she said. "I'm Lori. Let's hang out."

We rode to her house in her Camry. Lori grabbed two Bud Lights from the fridge and tossed a can at me. "My mom won't be home all night," she said. "She doesn't care what I do, anyway."

We sat side by side on the rug, our arms pressed together, our backs against her bed, sipping beer and watching old Black Sabbath videos on YouTube.

"It's my traditional white-trash Saturday," Lori said.

I'm not really into metal and beer, but for some reason I wanted Lori to like me *so bad*. I was, like, ready to go along with whatever she wanted to do.

"It's awesome," I lied. I took a big swig of beer.

"Has anyone ever eaten your pussy?" Lori asked, super casual.

I totally choked on the beer. OMG, was Lori a *lesbian*? Or was she just making conversation? I wanted to leave, but I couldn't move.

"Well?" she asked, putting her hand on my leg. Lesbian!

"No one ever has," I said. My body was tingling out of control.

Lori lifted my skirt. "Can I show you?"

I nodded, and she pulled down my panties. She zeroed right in on my

clit, flicking it with her tongue and making me shiver all over. OMG, I must be a lesbian, too! But I felt so awesome, I didn't even care.

Lori hit just the right spot on my clitty. I moaned.

"Feels good, huh?" Lori murmured. "Before you come, though, I want to show you how to do me."

Lori stripped buck-naked and spread her legs. Her pussy smelled spicy.

"First, part my lips with your fingers," she said. I did, and her clit stuck out, all red and glistening. "Stick your tongue out. On my clit." Her voice was trembling. I tongued her in quick, short bursts. "Mmm, yeah, fucking tease." She clutched the back of her thighs and shoved her cooch at me.

"Come on now," she panted. "Lick harder. Suck it, too, like a tiny little cock."

I did what she told me. Her pussy was so soft. I wanted to swallow it whole, lips and everything. I licked and sucked her swollen clitty and jabbed my finger in her hole. She moaned and squeezed her boobies. I was so turned-on, I felt like I could come

had to go to this really lame "party" at the St. Pius gym with, like, wholesome "hip-hop" music and gross punch made out of ginger ale and lime sherbet.

I was just sitting on the bleachers with Lori, making fun of all the lame-o's on the dance floor, and then I saw him. My heart skipped a beat. Our eyes met, and it was like at the movies, when everything goes into slow motion. He was over six feet tall, with dark, wavy hair and clear, blue eyes like the sea. He was gorgeous.

Lori elbowed me hard in the ribs.

"What the fuck, Patrice?"

She never called me Patrice, always Patti. She knew what I was doing. I felt bad. I stopped looking at the gorgeous boy, and I slipped my hand up Lori's skirt and into her panties. But after that night, I couldn't shake the thought of him.

The next week, I found a note in my locker:

*We saw each other Friday night. You're the prettiest girl I've ever seen. I hope you remember me. Please meet me at Dipp's. Your faithful admirer, Serge*

just from rubbing my mound on the rug.

Before I could try that, Lori grabbed me and flipped me around so we were 69ing. We licked and sucked frantically. In, like, seconds, both of us were coming. We shook and squealed and dug our fingers into each other's buns. I tasted her pussy juice on my tongue—salty-sweet and dank, like dirt and strawberries.

We passed out on the rug, Lori naked, me with my skirt around my waist and my sticky butt to the wind. Before I went home, we took a bath together, and she fingered me under the water. I wondered if I loved Lori.

So began my new life as a steady lezzie. Lori and I spent every afternoon together. I didn't even think about boys anymore. Then, a few weeks after school started, things changed.

There's this tradition where, every year, Our Lady of Sorrows has a mixer with St. Pius, which is, like, our brother school. We

It was the gorgeous boy! He had been thinking about me, too! I met him at the burger shop that evening, and we officially began our secret love.

It was innocent at first. We just kissed and held hands. I didn't let Serge get too far 'cause I felt so guilty for betraying Lori. I mean, she and I were still licking pussies regularly. But at the same time, I had feelings for Serge. To be totally honest, I wanted to lose my virginity. How could I do that with Lori?

About two weeks after we started being secret boyfriend and girlfriend, Serge and I were hanging out under the bleachers at the St. Pius soccer field. That was where we always met to kiss and watch the sun set. We sat on a blanket and drank sparkling apple cider. Serge is sweet and corny, not wild like Lori—she would have brought a 40. I guess that's part of why I love her, but anyway.

Serge poured cider into little plastic wine cups. We started kissing.

My heart was pounding out of my chest 'cause I knew this was it: I was going to do it today. When Serge went for my boob, I was afraid he'd feel my heart and think I was having a coronary or something. I was nervous, but I had to take the plunge. I laid my hand on his crotch and squeezed. He looked at me like, For real?

I ducked down and unzipped his fly and stuck his dick in my mouth like hi, no biggie. But it was a big deal 'cause I didn't know that much about fellatio. I guess I was doing a good job, though, 'cause Serge was making sex noises and pulling my hair. It made me extra horny. My pussy throbbed. I fell back and flipped my skirt up and panted, "Put it in me."

Serge was just like, "Nnnn-ghee." He walked over on his knees, holding his dick and sweating. He pulled off my panties. Grass and

into my skin while Serge snored. Then I went home and—don't freak—went to bed without taking a shower. I wanted to smell his man stink on me all night. I know, I'm gross.

After that, I became—well, as Lori would later put it—"dick sick." She can be so crude. It was true, though. I was obsessed. All I could think about was boning. I started inventing excuses not to hang out with Lori at night so I could meet Serge. Under the bleachers, in his Explorer, in the bushes right outside my house with my folks inside watching TV.... For weeks, we fucked non-stop, every position but anal. We were saving that.

Meanwhile, I was still letting Lori lick my pussy in the girls' bathroom at school—yes, I'm a slut—but she knew something was up.

Finally, one afternoon before my parents were home from

dirt scratched my butt cheeks. I braced myself for him to stick it in right away, but instead he started licking my cooch. His style was different from Lori's—he was rougher and more clumsy. More *manly*.

Serge jammed his tongue deep into my hole, in and out, like he was fucking me with his mouth. My body vibrated all over. I couldn't wait anymore.

"Fuck me for real!" I begged. I spread my legs wide.

Serge tumbled on top and rocked against me. His stiff dick slid between my pussy lips, back and forth, until finally it dipped inside.

*Oh.My.God.* I had an actual penis inside me. A throbbing, hard penis inside my pussy. It was, like, too amazing to be true, but it was really happening, I was really fucking!

Serge slammed his cock into me, kind of jerky and fast. I wanted to slow down so I could really feel what was happening. I wrapped my legs around him and pulled him in as deep as he could go. His whole sweaty body was on top of me, and his hot breath blasted my ear. The two of us started slowly moving and grinding together, perfectly in sync, like we had been doing it forever.

"It's good, right?" Serge gasped.

I couldn't talk. I just dug my fingers into his back and wrapped my legs around him even tighter. My pussy was so wet, it was making super loud squishy noises. I didn't care how embarrassing, I just wanted to keep going and going and never stop.

Suddenly Serge grunted. He pulled his cock out and came all over my belly. I had done it! No more V.! I rubbed the sticky stuff

work, Lori came knocking on my door. Honestly, I wasn't in the mood to see her, but I felt totally guilty, too, so I opened the door. She stormed in, wearing her book bag and school uniform, her eyes blazing.

"I know everything." She pushed me onto the living-room couch and hovered over me with her hands on her hips.

"You're still my best friend," I offered lamely.

"Great friend," she scowled. "I thought we had something. I *hate* you."

Now she looked ready to cry. I felt like the world's biggest asshole, but what was I supposed to do? I *craved* Serge. Obviously I wasn't a total lez.

"I don't want to lose you as a friend," I begged. "Please don't be mad at me."

Lori stared me down. "You deserve to be punished. Severely."

"Totally." I smiled, thinking she was joking. Her face softened.

Then she threw me over her knee, ripped down my panties and started spanking me.

"What the hell?" I didn't know whether to laugh or scream.

Lori spanked me even harder.

"Stop it, you're acting crazy!" I yelled.

"No, you're being punished!" Lori yelled back.

She pulled a ruler out of her book bag and whacked me harder. My ass was stinging. But the weird thing was—it felt good, too. I was actually getting turned on! My clit throbbed with every

**"Lick harder" she panted.  
"Suck it, too, like a tiny little cock."**

whack of the ruler.

"You're a dirty whore," Lori huffed, flipping me over and burying her face in my pussy. She sucked my clit so hard, I thought I'd pass out from the blood leaving my brain. She stuck her tongue up my hole and burrowed deep.

"Not as good as his cock, I'm sure," she sniffed.

She stuck her hand in her bag and pulled out this weird, bumpy dildo.

"Maybe this will satisfy you." She waggled the thing at me. "Maybe I'll stick it up your ass. What do you think about that?"

I laughed at the thought of Lori taking my anal virginity.

Lori frowned. "You think that's funny?"

She pushed my legs over my ears and tickled my pooter, first with her finger, then with the dong. Suddenly I wasn't laughing. My butt ached for more. I wanted the plastic cock all the way inside me.

Lori spit on my pussy. The slobber slid down and puddled on my buttock. Lori sucked the dildo, then eased it, bump by bump, into my toot.

"Oh, yeah," I moaned. "Yeah, fuck me!"

"You like that, don't you, whore?" Lori growled. I did. I loved it!

Lori slurped my pussy and reamed me at the same time. It was maybe the most incredible feeling ever. My pussy and my ass throbbed and vibrated, like there were tiny electric shocks zapping my insides, making me crazy. I was on the brink of explosion. An entire universe of stars was ready to burst right out of me.

"*Ahh-eeeeeeeeee!*" I squealed. I came so hard, I thought I injured my brain.

Lori wouldn't let me rest. She demanded that I lick her pussy. I was tired, but I did as I was told. I stuck my finger in her butt, too. When she was ready to come, Lori sat on my face and smeared her girl grease all over me.

"Are you going to behave from now on?" she panted.

"Yes!" I said. "I promise!"

But I wasn't totally telling the truth. I don't want to give up Serge *or* Lori. So I think I'll just stay with both of them. When you love people from two different genders, it isn't really cheating. Is it? ★

# BAILEY ROSE

PHOTOGRAPHY BY MARK LIT FOR DIGITAL DESIRE

**H**ey, it's Lindsey. Bailey Rose is so glamorous and sexy, it's hard to believe she's only 18.

"I know," confesses aspiring model Bailey Rose. "I've always looked mature for my age. I could pass for 18 when I was 14! I *could* have gotten myself into tons of trouble, but I was a good girl. But not anymore!"

**Sexual personality:** I am ready for sex at all times. I don't understand girls who are all, "I'm not in the mood." How can you *not* be?

**Best physical feature:** My pussy, 'cause it gives me pleasure. And hopefully gives other people pleasure, too. ;)

**Fave hobby:** I love to ski. It's a total rush, plus it keeps my booty in shape.

**First thing I notice about a guy:** If he has sexy lines around his eyes and mouth. I want a guy who looks like a man, not a boy.

**Biggest turn-on:** Long foreplay. I like to have fun—lots of teasing and dirty talk and role-playing and being silly. After that, of

course, we do some serious fucking!

**Biggest turn-off:** A lack of confidence.

**Fave masturbation method:** I rub my clit with my fingers. I can make myself come *really* fast. I've had tons of practice!

**Fave sex position:** Doggy-style. I love when a guy grabs my ass and fucks me *deep*.

**Spit or swallow:** I swallow, but I purposely let a little dribble out onto my chin. Guys go crazy!

**To bi or not to bi:** I'd say I'm bi. I'm more into guys, but girls are lots of fun to kiss and play around with.

**Butt sex, yay or nay:** *Mmm*-maybe someday?

**Deepest, darkest secret:** Don't laugh, but I have a thing for big guys. Not, like, *obese*, but thick and solid—you know, like Tony Soprano. I know, I'm weird!

**Reason for posing nude:** Why not? Don't I look good? ;)

**Ultimate goal:** To be happy in life, whatever I do, and to make others happy, too. ★
